Hazard:

The use of a non-intrinsically safe product in a hazardous area can potentially cause a fire or explosion.

What to do:

Blackwoods advises customers to check inventory and stores and immediately remove any of the above torches from intrinsically safe zones.

Contact your Blackwoods Sales or Customer Service representative on **13 73 23** or email quality@wisau.com.au with the subject header "Pelican Torch" to arrange collection and replacement (at our cost) with the equivalent Pelican intrinsically safe torch.

Please direct all calls or queries to Blackwoods Customer Service 13 73 23 or Sarnia Hobson, Quality and Compliance Manager 0459 849 105.
